## **MDSupplies and Service now recognized as Google Trusted Store**

*A Multi-Vendor Medical Supply Store and Medical Equipment Marketplace*

### **Summary**

MDSupplies recognized and awarded by Google as part of the Google Trusted Stores program.

FORT LAUDERDALE, FLORIDA (December 29, 2015) — MDSupplies and Service (MDSupplies), which offers medical supplies and medical equipment through an “Amazon-type” marketplace, was recently selected to join the Google Trusted Stores program. To help shoppers identify online merchants that offer a great shopping experience, the Google Trusted Store badge is awarded to e-commerce sites that demonstrate a track record of on-time shipping and excellent customer service. When visiting the MDSupplies website, shoppers will see a Google Trusted Store badge and can click on it for more information.

Sarah Jones, Customer Relations Specialist for MDSupplies states, “We know the importance of fast on-time shipping when it comes to medical supplies and we are in constant communications with our vendors to ensure all products are in stock and ready to ship as soon as orders are received. We offer amazing low prices to customers every-day and a selection of our vendors offer free-shipping. Seeing customers save an average of 50% on medical supplies is rewarding, but we also know shipping times and customer service are just as important.”

As an added benefit, when a shopper makes a purchase at a Google Trusted Store, they have the option to select free purchase protection from Google. Then in the unlikely event of an issue with their purchase, they can request Google's help, and Google will work with MDSupplies and the customer to address the issue. As part of this, Google offers up to \$1,000 lifetime purchase protection for eligible purchases.

Google Trusted Stores is entirely free, both for shoppers and for online stores. The program helps online stores like MDSupplies attract new customers, increase sales and differentiate themselves by showing off their excellent service via the badge on their website.
